### **PLP Short Listed for Network Rail Partnership Awards**

Benchmark is delighted to announce that the Practical Leadership Programme (PLP) that it delivers to Network Rail's front-line managers has been short-listed by Network Rail in the 'Investing in People' category of the new Network Rail Partnership Awards. Benchmark is immersed in Network Rail's culture and environment and understand the language and the business issues facing the PLP delegates. The nomination recognises the value of the PLP to the ongoing development of staff safety and performance within Network Rail.
